

Full Joseph I will try to get
his knife and Harry what
he wanted me to get. I am
going to bring them something
from Cousin Fannie -

I will stop now but
send you a heart full of love.
tell Harry I have gotten his soap
but I have nothing yet for mother
so tell her for me. I am afraid
I will not be able to bring her
anything but myself -

amta says she is mad at you for you
said you were coming over down again
to get me -
kiss each of my boys
and believe me -

My dear husband and lover:-

I have gotten two letters
from you and I have only written
one letter to you but I was so
tired Friday night after shop-
ping all day with Daisy - I was
unable to do any writing at all -
then when your letter came Sat. a.m.
and one from Joseph and one from
Harry Lu - such nice letters too - I was
filled with rapture - yesterday
after lunch Aunt J. Bessie Daisy
and I all went out to the Fair

to see the illumination and
fire works and to meet Jimmie
myself again - I have seen a great
deal but there is so much to
see that I am confused as to
what I have seen - Jimmie wanted
to take me to supper so I accepted
and met the folks at the dinner
meat at eight when we strolled
down the Pike and ^{through the Japanese} then home
Bazaar it was away after ten -
no! 11:15 when we came home - tired
Oh! I was dreadful tired so today
I went to church and out to the
cemetery this afternoon - our lot
looks badly so dry and dead -
compared to Aunt Jessie's lot.

Aunt J. said I'm promised
to come after me but I know
it is out of the question - I only
wish for you every time I see
any thing pretty and I will be
glad to be at home again - I have
done all my shopping but getting
the lamp - I plan to meet Lily
in the a.m. at nine and go to
the fair together - tomorrow is
chrysanthemum day - stay all
night at 'Marj's' - get the lamp
Tue. P.M. - and have it sent
up home - I have a beautiful
coat for Joseph and cloak for
Elsie
